Dear friends,

If you were asked to draw a picture of God, what would you draw? In other words, how do you picture God? For some, it might be easier to draw where you experience the presence of God than to create a singular image representing God.

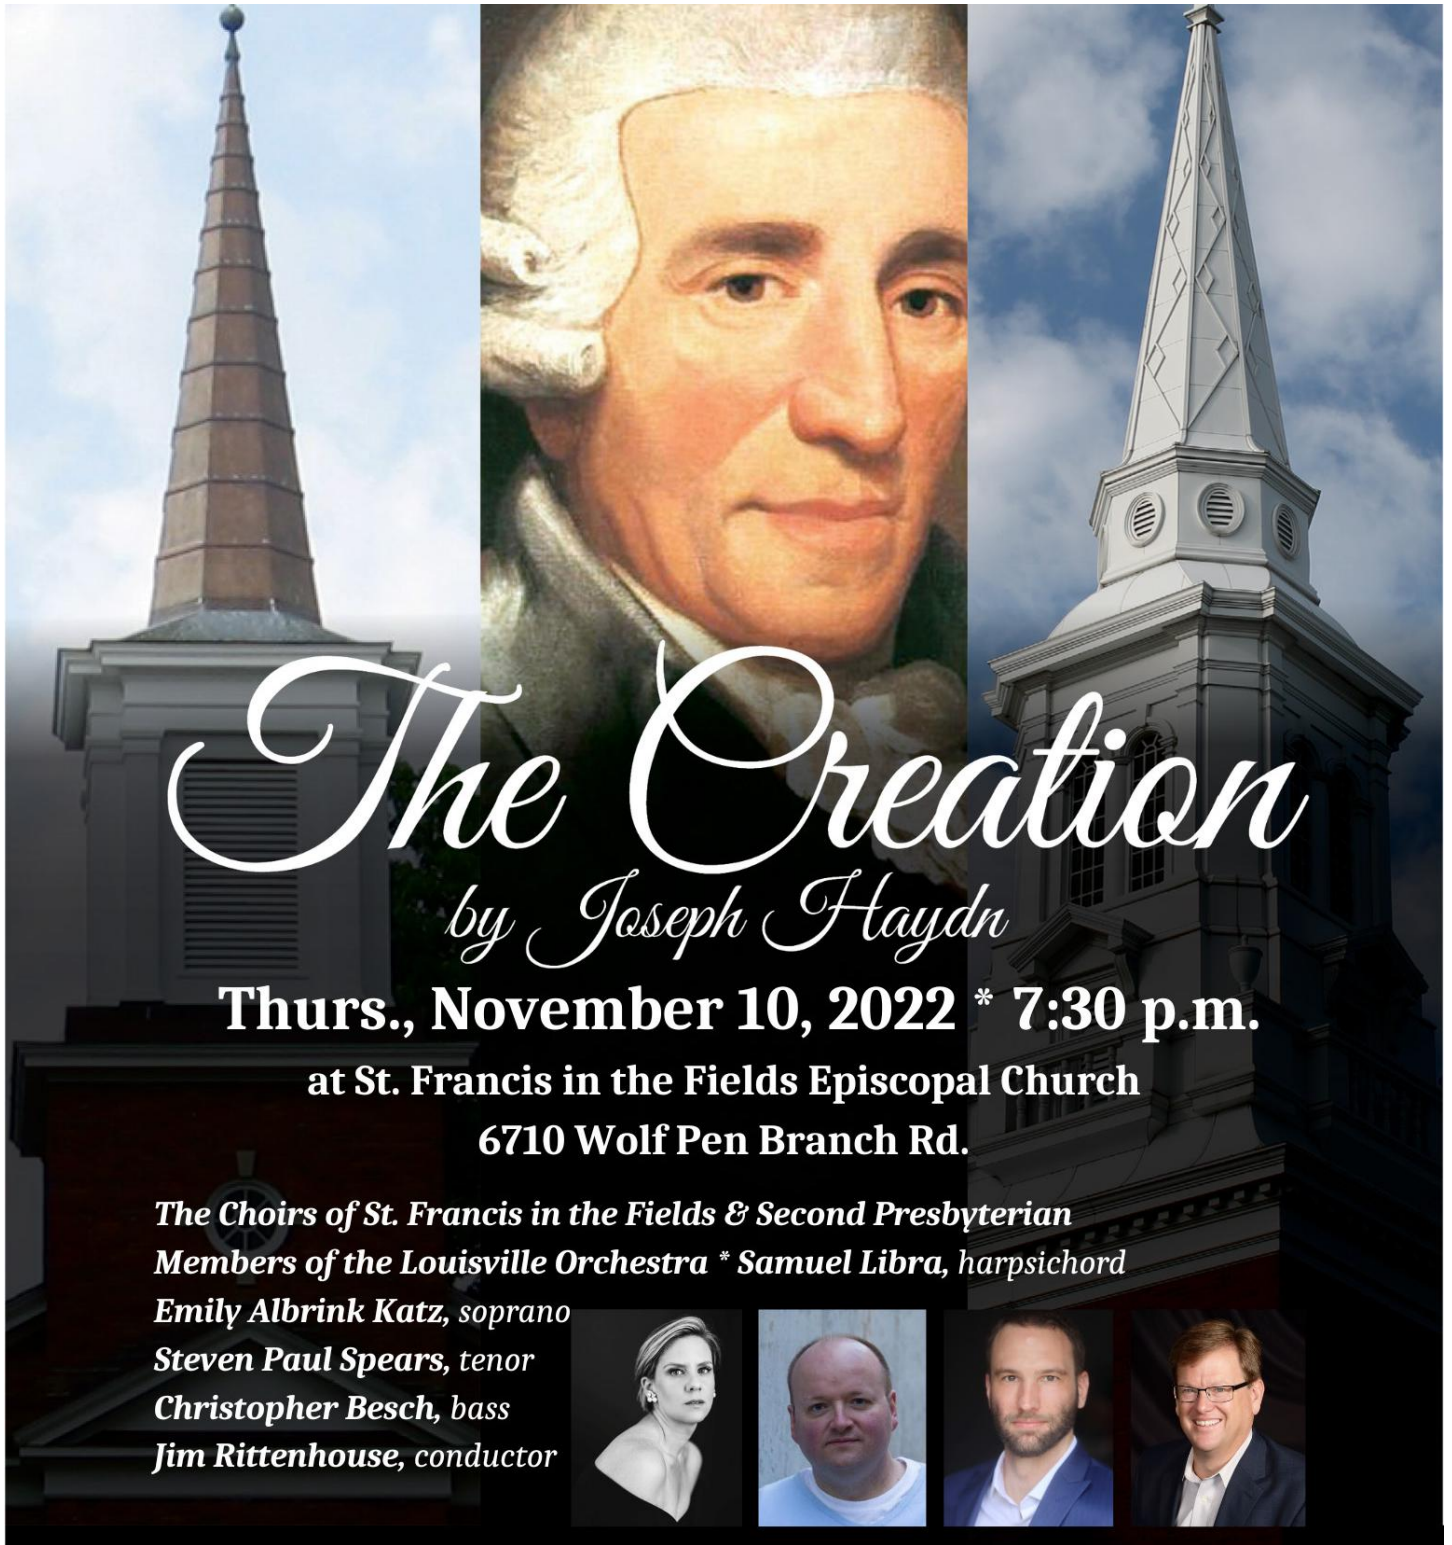

At the beginning of confirmation each year, I meet with each youth, their parent(s), and adult mentor. This year, I have added an element of artwork expressing our thoughts on God. It has been so interesting to see our youth look around at the different pieces of art showing that our views of God are not the same. Just like our faith journey is our own, our relationship with God is our own personal relationship. Even though our expressions of God are different, most of us learned central beliefs about God – creator, sustainer, redeemer, comforter, forgiving, gracious, and merciful. Along the way, our faith will change, and our relationship with God will, too. But, hopefully the belief that our God is an ever-present, all-loving God will never change.

So friends, if you were invited to draw a picture of God, how would you depict God in your creation? And would your created representation of God, your own view of God, invite us to see and greet others as people who bear the image of God, after all God made us in God’s image. And would knowing our own image of God invite us into deeper conversation with others? Would it create space for us, as a church family, to share our drawings of God and our own experiences of when and where we have unmistakably felt God’s presence in our lives? How do our images of God draw us into adoration and praise of God, into worship?

Grace and Peace,  
Jordan Akin

## November Mission of the Month

### CABBAGE PATCH CHRISTMAS

George Matthew Adams once said, "Let us remember that the Christmas heart is a giving heart, a wide-open heart that thinks of others first." Christmas can be a magical time, but for the families of The Patch it can be a time of overwhelming stress. Because of you, Cabbage Patch children will still experience the joy of Christmas and the assurance that God hears their needs...the love of the Christ child can shine brightly.

For a family struggling to make it week to week, when you respond with a Christmas heart, not only are there gifts for their children, but also a meal on the Christmas table. **Our goal for this year is to raise \$20,000 which would provide Christmas blessings for 60+ Cabbage Patch individuals.**

#### *How you can help:*

- Make a donation during the month of November
- Saturday, Dec. 3 - Go shopping and join our Cabbage Patch families
- Sunday, Dec. 4 - Wrap the gifts as a church family in the Great Hall
- Saturday, Dec. 10 - Deliver Christmas gifts to The Patch families

We will have a sign-up table in the narthex each Sunday before the 11:00 service Oct. 30 - Nov. 20.

Again, this year, you can help these families in need by contributing in HONOR/MEMORY of a loved one. Each time a donation is made, \$10 or more per honorarium request, a Christmas card can be sent to the person/family informing them of your generosity.

For more information contact  
Jennifer Scott  
at [jscott@cabbagepatch.org](mailto:jscott@cabbagepatch.org)  
or 773-4396.

## Refugee updates

### Good News About Our Second Pres Sponsored Afghan Families

The Sultani family arrived in town on September 8th. Subhan, who was an interpreter for the US military in Afghanistan, will begin working soon. Even though his English is excellent, he is taking ESL classes and has scheduled his driver's permit test. Subhan and his wife, Shabina, recently opened a joint bank account.

The Sultani boys Shukran and Rehan love kindergarten and are already speaking some English, but their baby sister Shukrana rules the roost!

The family is rapidly adjusting to life in Louisville and enjoys the public library next door to their apartment.

*Shabina, Shukran, Rehan, Subhaan and a very shy Shukrana enjoyed shopping for winter coats*

Three Second Pres-sponsored Afghan women, Karima, Muska, and Toba, arrived on September 1st. They've settled into their apartment full of church member-donated furnishings and are also getting ready to start jobs. All three are computer whizzes and working hard in their ESL classes. They are enjoying Kentucky life and like using their new debit cards for shopping.

*Muska, Toba and Karima open bank accounts*

Sponsoring two families simultaneously is a big job made possible thanks to support from Second Pres. members. Thank you for your prayers and donations of your time, money, or household items; it is all greatly appreciated. Many thanks to Joan & Lamar Gaston, who provided a washer and dryer for the Sultani's apartment, and Sallye Pence for procuring school uniforms and bicycles. And a special thanks to several church members who purchased warm winter coats and laptop computers for our refugee families.

## *Care for the Caregiver*

Are you helping a loved one with impairments related to aging, disability, or a mental disorder? Are you taking care of someone who has a chronic illness, managing medications, or taking care of household chores, meals, and healthcare for someone who cannot perform these tasks alone? If you answered yes to any of these, then you are a caregiver.

Caregivers hold it all together or have the overwhelming feeling that they must hold it together because no one else can. Caring for your loved one can lead to isolation, depression, chronic health issues, and poor quality of life. The Deacons here at Second see how important it is to support its members who hold the role of caregiver.

The caregiver support group meets on the second Monday of each month at 4:00 p.m. These remote monthly Zoom meetings provide resources, education, guest speakers, and a safe space for support and assistance in finding solutions to the challenges of caregiving. If you are interested in joining or learning more, please contact the office or reach out to Elizabeth Clay, eclay@2ndpreslou.org, or Deacon Cathy Hollander.
