## Summer Volunteers Needed!

Thanks to all of you who have answered the call for volunteers this summer. We currently have 125 children registered for VBS and 15 for Project Serve. If you are thinking about volunteering for either of these camps we can still use you!! Any amount of time will make an impact. I am in need of station leaders and group leaders. Group leaders are in charge of leading children to different stations while station leaders present material to different groups. If you are crafty, sciency, snacky or good with stories I'd love to talk to you about being a station leader. If you love to pal around with kids and have a knack for keeping them engaged group leader is the job for you!! Let me know where I can fit you in!!

# Weekday School

The ending phase of a school year's cycle in May always elicits both reflection and anticipation. Memories of experiences, accomplishments, friendships and challenges work their way through the mind as the year comes to a close. It has been a pleasure and a privilege to watch the children in our care grow and change, see their strong relationships blossom over time in the classrooms, and observe their learning take exciting turns throughout the year. We have much gratitude to our parents for entrusting us with their greatest treasures through their early years!

Now, we look toward the promise of summer: the splash of water, the songs of crickets and cicadas, and long days of sunny fun. Summer is also the time when, as one teacher put it, we get to work on the "plane" when it has landed. It is an essential time for preparing for the next school year. Practically, we must tackle maintenance work and physical projects to keep our space in great condition for our young students. We also finalize class lists and teacher placements; update forms, files, and handbooks; and begin organizing for our annual licensing survey. We use the summer to continue our learning as early childhood professionals, as well. It is the season for casting a vision for how we can stretch, grow, and go deeper in our progressive educational philosophy. While we do this necessary work, we are thankful for the church providing ways for our school families to connect with other parents and children this summer!

See you in the fall,

Hayley Abell,  
Director

## Refugee Update

Rohan Amiri  
turns one

Amiri daughters and  
Charlotte, happy for a  
visit pile on

Dear Friends,

We are being asked to be part of the broader Mid-Kentucky Presbytery campaign to raise funds to eliminate the enormous burden of medical debt of many of our fellow neighbors in central Kentucky. The Mid-Kentucky Presbytery has partnered with RIP Medical Debt, a highly rated 501c3 charity that specializes in forgiving medical debts.

RIP Medical Debt was founded in 2014 by two former debt collections executives. After decades of working in the for-profit debt-buying industry they eventually realized they were uniquely qualified to help those in need. They imagined a new way to relieve medical debt: use donations to buy large bundles of debt for pennies on the dollar thus erasing debt with no tax consequences to the recipients.

The results have been spectacular—

- To date they have acquired and abolished over \$8 billion in medical debt for over 5 million families.
- They are rated at the highest level by the respected charity rating service, Charity Navigator, 100% 4-star level.
- Operating expenses are being covered by philanthropic gifts so 100% of your donation goes directly to debt relief.

RIP's debt abolishment process is transparent and efficient:

- RIP contracts with a hospital or other medical providers. The hospital transmits patient accounts data file to RIP.
- RIP identifies patients in financial hardship by integrating data from TransUnion - Who benefits? Individuals who meet at least one of the two criteria: 1) those Earning less than 4x the federal poverty level, or 2) those having debts that are 5% percent or more of annual income (it should be Noted: they do not abolish debt by request for specific individuals but only by geographic area)
  - RIP buys the medical debt for the provider at a highly discounted rate.
  - Families, without any prior awareness, will simply receive a surprise letter from RIP stating their debt has been paid off thanks to this Presbyterian Church effort.

**\* Every Ten Dollars you donate forgives approximately \$1,000 in Medical Debt**

**\* Every Hundred Dollars you donate forgives approximately \$10,000 in Medical Debt**

This campaign is another example, much like the car charging stations, that we are church members that are more interested in helping than in being helped. We are church members that are more interested in loving than being loved. We are church members that are more interested in giving than getting.

For more information or to make a donation visit:  
<https://ripmedicaldebt.org/campaign/central-kentucky/>?

Or donate at church with a notation: RIP Medical Debt.

Thanks for your consideration and support.

## *Care for the Caregiver*

Are you helping a loved one with impairments related to aging, disability, or a mental disorder? Are you taking care of someone who has a chronic illness, managing medications, or taking care of household chores, meals, and healthcare for someone who cannot perform these tasks alone? If you answered yes to any of these, then you are a caregiver.

Caregivers hold it all together or have the overwhelming feeling that they must hold it together because no one else can. Caring for your loved one can lead to isolation, depression, chronic health issues, and poor quality of life. The Deacons here at Second see how important it is to support its members who hold the role of caregiver.

The caregiver support group meets on the second Monday of each month at 4:00 p.m. These remote monthly Zoom meetings provide resources, education, guest speakers, and a safe space for support and assistance in finding solutions to the challenges of caregiving. If you are interested in joining or learning more, please contact the office or reach out to Elizabeth Clay, [eclay@2ndpreslou.org](mailto:eclay@2ndpreslou.org), or Deacon Cathy Hollander.
