2PY 2023 Summer Schedule

Summer has always been my favorite season. Without the demands of school, students seem to come alive and are so joyful during the summer. The summer months often come with new adventures. The months include traveling, resting, fellowship, and recreation. This summer at 2PY we have created a multitude of opportunities to gather for fun and fellowship, all while growing deeper in faith with one another. We hope in the midst of all the activities that summer brings, you might find time to join us and most importantly, that you remember to take time to rest.

I look forward to spending my summer with you all!

Pastor Jordan
